required for the proper execution, completion and protection of the Works.

8. Assignment or subcontracting

- 8.1.1. The Contractor must not without the written consent of the Principal's Representative subcontract the Works or assign the benefit of this Contract or any portion or allow a subcontractor to subcontract any part of the Works or assign any benefit of the subcontract.
- 8.1.2. Even if the Principal's Representative has consented to a subcontracting of the Works or any portion:
 - a. the Principal's Representative may prohibit any subcontractor from performing any portion of the Works and may remove any subcontractor from the Works; and
 - b. the Contractor shall remain fully responsible for the completion of the Works in accordance with this Contract.
- 8.1.3. Subject to a direction from the Principal's Representative to the contrary, the Approved Subcontractors may be used by the Contractor in the execution of the Works.
- 8.1.4. The Contractor must ensure that all subcontractors comply with this Contract insofar as it specifies the manner of carrying out the Works.

9. Nominated Subcontractors and Specialist Contractors

- 9.1.1. The Principal may:
 - a. nominate subcontractors for any portion or portions of the Works and require the Contractor to enter into a subcontract with those subcontractors; and
 - b. directly employ Specialist Contractors.
- 9.1.2. The Contractor shall be responsible for the whole of the Works including works carried out by Nominated Subcontractors.
- 9.1.3. All instructions given by the Principal's Representative to the Contractor referring to the works of Nominated Subcontractors shall be forwarded by the Contractor to the Nominated Subcontractors without delay and the Contractor shall ensure that the instructions are carried out promptly.
- 9.1.4. The Contractor is responsible for the co-ordination of any Specialist Contractors employed directly by the Principal.
- 9.1.5. The Contractor must give all Nominated Subcontractors and Specialist Contractors all particulars relating to their respective work with regard to the order of its execution.
- 9.1.6. The Principal shall not be liable for any claims arising out of lack of liaison between the Contractor and Nominated Subcontractors or Specialist Contractors.

10. Labour

- 10.1.1. The Contractor and any subcontractors must provide and employ on the Site in connection with the execution of the Works:
- a. only such technical assistants as are skilled and experienced in their respective callings and such supervisors, foremen and leading hands as are competent to give proper supervision to the work they are required to supervise; and
 - b. such skilled and semi-skilled labour as is necessary for the proper and timely execution and maintenance of the Works.
- 10.1.2. The Principal may object to Contractor's Personnel or subcontractor personnel being on Site or on the Principal's Premises. The Principal must act reasonable when making any such decision. The decision of the Principal and/or the Principal's Representative as to the competence of the appointed Supervisor, any other personnel of the Contractor, the subcontractors and any other persons or organisations engaged upon or in connection with the Works shall be final and binding. The Contractor will make no claim against the Principal for any such decision and promptly secure a replacement acceptable to the Principal.
- 10.1.3. The Contractor shall be fully responsible at all times for the behaviour and discipline of all personnel engaged upon or in connection with the Works.
- 10.1.4. The Contractor must, at the request of the Principal's, remove from the Site any personnel engaged upon or in connection with the Works and this shall not in any way affect the Contractor's obligations under this Contract.

11. Materials

- 11.1.1. The Contractor must supply all plant equipment and material for the execution of the Works. The Contractor must confirm the availability and delivery times of all materials
- 11.1.2. The Contractor will be responsible for delays in the delivery of materials, except those purchased directly by the Principal.
- 11.1.3. All materials supplied by the Contractor must be in accordance with any Scope of Works or otherwise approved by the Principal Representatives.
- 11.1.4. No alternative materials may be substituted without the prior written approval of the Principal's Representative.
- 11.1.5. Any unauthorised substitution of materials must be removed and replaced with the specified materials at the Contractor's expense.
- 11.1.6. All materials to be used in permanent work must be new unless otherwise specified.
- 11.1.7. All materials must in any event be entirely to the satisfaction of the Principal's Representative.

- 11.1.8. Before bulk supplies are ordered, the Contractor must provide at its expense samples of materials specified and, if approved by the Principal's Representative, such samples shall establish the quality for all such materials used in the Works.
- 11.1.9. The submission to and approval by the Principal's Representative of any samples does not relieve the Contractor of its obligations under this Contract.
- 11.1.10. If any material or article is rejected by the Principal's Representative it must be removed from the Site at the Contractor's expense.
- 11.1.11. The Contractor is solely responsible for measuring or otherwise determining the quantity of all materials and articles for use in the Works.
- 11.1.12. Neither the Principal nor the Principal's Representative shall be liable for any errors in such measurement or other determination.
- 11.1.13. On receipt of materials (including any purchased directly by the Principal) the Contractor must examine them to ensure that the correct material, colour and quantity have been delivered and bring any discrepancy immediately to the attention of the Principal's Representative.

12. Dilapidation Report

- 12.1.1. Within five days of being granted access to Site, the Contractor shall complete and provide to the Principal's Representative a dilapidation report of the existing condition of the Site and thing, property or item which is adjacent to the Site and may be affected by the works.
- 12.1.2. The dilapidation report must include a detailed description and assessment of existing conditions including photographs.
- 12.1.3. The Principal's Representative will have five working days to review the dilapidation report.
- 12.1.4. The Principal's Representative will advise the Contractor in writing if the dilapidation report has any omissions or errors. The contractor will have five days to correct to update the dilapidation report.
- 12.1.5. The Contractor cannot commence works until the Principal's Representative has approved in writing the dilapidation report.
- 12.1.6. No receipt, review, comment or approval as to the suitability of a dilapidation report by the Principal's Representative shall:
- a. relieve or limit the Contractor from any obligation or liability under this Contract;
 - b. relieve or limit the Principal's rights under the Contract; or
 - c. amount to acceptance by the Principal that a dilapidation report complies with the requirements of the Contract

13. Execution of the Works

- 13.1.1. Materials, workmanship and the Works as a whole must conform to the minimum required by the Contract Documents, the Building Code of Australia, and all other applicable laws, regulations, standards and codes of practice, including those described in the Scope of Works.
- 13.1.2. The Contractor must executed the Works in accordance with the Scope of Works. If requirements are indicated in any specifications contained in the Scope of Works but not indicated in the drawings in the Scope of Works, or indicated in the drawings but not in the specifications, as if it were indicated in both.
- 13.1.3. The division of the Scope of Works into sections does not affect the allocation of work and the Contractor remains responsible for all work in all sections.
- 13.1.4. The Contractor is responsible for setting out the Works and must rectify at its own expense all errors or defects in the Works.
- 13.1.5. If any discrepancy occurs between the measurements on Site and any dimensions written on drawings the Contractor must bring it to the attention of the Principal's Representative before commencing that portion of the Works.
- 13.1.6. The Contractor must promptly notify the Principal of any errors, omissions or defects in the design of the Works before commencing that portion of the Works. The Principal's Representative will instruct the Contractor as to how to proceed in respect of any such errors, omissions or defects.
- 13.1.7. The Contractor must promptly notify the Principal's Representative (and in any event before they undertake the Work) if they regard any direction of the Principal's Representative as varying this Contract or would delay the Contractor in the execution of the Works.
- 13.1.8. Subject to the previous clause and confirmation of the instruction, if compliance with an instruction of the Principal's Representative under this clause 13:
- a. causes the Contractor to incur more or less cost than otherwise would have been incurred had the instruction not been given the difference will be assessed by the Principal's Representative and added to or deducted from the Contract Price; and
 - b. delays the Contractor reaching Practical Completion, the Contractor may request an extension of time to the Date for Practical Completion under clause 22.1.2.
- 13.1.9. The Contractor must not execute on the Principal's premises any works not in connection with the Works.

14. Inspection of Works

- 14.1.1. The Principal's Representative may inspect the Works at any time.

- 14.1.2. Inspection by the Principal's Representative does not relieve the Contractor from its obligation to ensure that the Works are executed in accordance with this Contract.
- 14.1.3. The Contractor must not cover up any work without the prior approval of the Principal's Representative.
- 14.1.4. The Contractor must, at the request of the Principal's, open up and re-cover at its own expense, any work covered up without the said prior approval.

15. Testing and Commissioning

- 15.1.1. The Contractor must comply with any hold and test requirements in the Scope of Works and associated specifications.
- 15.1.2. The Contractor must comply with any testing and commissioning requirements in the Scope of Works and associated specifications.

16. Cleaning up

- 16.1.1. The Contractor must at all times keep the Site in a clean, tidy, safe and sanitary condition, free of all debris, surplus materials, scrap, crates, rubbish and combustible matter and must remove the same at its own expense at frequent intervals throughout the course of Works or when so instructed by the Principal's Representative.
- 16.1.2. On completion of the Works and before the issue of the Certificate of Practical Completion, the Contractor must remove all remaining debris, surplus materials, scrap, crates and rubbish from the Site and leave the whole of the Works and the Site in a clean and proper condition to the satisfaction of the Principal, the Principal's Representative.

17. Contract Price

17.1. Contract Price

- 17.1.1. This Contract is a lump sum, fixed price contract.
- 17.1.2. The Contract Price is not subject to, and the Principal is not liable for, re-measurement or re-calculation on account of any of the following:
- a. where actual quantities of work and materials differ from any estimates available at the date of this Contract, except with regard to Variations ordered by the Principal's Representative which shall be priced in accordance with clause 19;
 - b. any increase in wages and/or emoluments and expenses of any kind payable to workmen; or
 - c. any increases in the cost of materials, goods, plant or equipment, irrespective of whether such increases come into effect during the progress of this Contract or after the acceptance of the Contractor's tender for the Works.

- 17.1.3. These provisions apply equally to the Contractor's subcontractors and suppliers.
- 17.1.4. The Contract Price includes all government taxes and duties, irrespective of whether any increase comes into effect during the progress of this Contract or after acceptance of the Contractor's tender.
- 17.1.5. The final Contract Price shall be the sum of the original contract price and the total amount of all adjustments made in accordance with the Contract (if any).

17.2. Interest

17.2.1. For the purpose of this clause 16.2:

General Interest Charge Rate means the general interest charge rate determined under section 8AAD of the *Taxation Administration Act 1953* (Cth) on the day payment is due, expressed as a decimal rate per day; and

the day that payment is made is the day when the Principal's system generates a payment request into the banking system for payment to the Contractor.

17.2.2. Subject to clause 17.2.3, if the Principal fails to pay to the Contractor an amount under this Contract by the due date for payment, the Principal will pay simple interest on the unpaid amount at the General Interest Charge Rate calculated in respect of each day from the due date up to and including the day that payment is made in accordance with the formula set out below:

$$SI = UA \times GIC \times D$$

where:

SI = simple interest amount;

UA = the unpaid amount;

GIC = General Interest Charge daily rate; and

D = the number of days from the day after payment was due up to and including the day that payment is made

17.2.3. The Principal will pay interest under this clause 17.2:

- a. where the amount of interest exceeds A\$10; and
- b. where the payment of the unpaid amount is made by the Principal:
 - i. up to 30 days after the due date for payment, where the Contractor has issued a correctly rendered invoice for the interest; or
 - ii. more than 30 days after the due date for payment, at the same time payment of the unpaid amount is made.

18. Supervisor and Principal's Representative's instructions

- 18.1.1. The Contractor must appoint a Supervisor to be responsible for the Contractor's carrying out of the Works in accordance with this Contract.
- 18.1.2. Subject to clause 18.1.3, the Contractor must upon receipt comply with all instructions issued to the Contractor by the Principal's Representative relating to the carrying out of the Works.
- 18.1.3. Where instructions are given to the Contractor by the Principal's Representative which the Contractor considers will affect the Contract Price and/or Construction Period, the Contractor must, within 7 days of the receipt of such instructions and prior to complying with them, apply to the Principal's Representative for an adjustment to the Contract Price and/or Construction Period. If the Contractor fails to comply with the requirements of this sub clause it waives any right to make a claim against the Principal for the instruction
- 18.1.4. The Principal's Representative shall either reject such application or shall issue a Variation Order pursuant to clause 19.1.2 stating the amount by which the Contract Price and/or Construction Period is adjusted.
- 18.1.5. The Contractor is not entitled to any adjustment of the Contract Price or Construction Period for Variations to the Works or alterations to the construction schedule:
- a. in respect of compliance with the instructions of the Principal's Representative except pursuant to a Variation Order issued under clause 19.1.2; or
 - b. if the Contractor's application for an adjustment is made subsequent to the commencement of the Variation to the Works giving rise to such application.

19. Variations to the Works

- 19.1.1. The Principal's Representative may direct the Contractor to carry out a Variation to the Works, which may consist of additions, deletions or alterations to the Works or any portion thereof.
- 19.1.2. Any adjustment of the Contract Price or Construction Period arising out of any Variations to the Works or alterations to the construction schedule shall be valid only if authorised in a written Variation Order signed by the Principal's Representative and countersigned by the Principal.
- 19.1.3. If a Variation Order is given in accordance with clause 19.1.2, it shall be deemed to be incorporated into this Contract.
- 19.1.4. The Contractor may add 10% of the price of Variations which constitute additions or alterations on account of management fee, overhead and profit.
- 19.1.5. Any Variations to the Works for which instructions have been issued by the Principal's Representative must be measured in accordance with the *Standard*

Method of Measurement of Building Works for use in Australia and priced in accordance with the Schedule of Unit Rates.

- 19.1.6. The Works include any Variations directed by the Principal's Representative whether or not such Variations affect the Contract Price or Construction Period.

20. Progress of the Works

- 20.1.1. Immediately after the date of this Contract, and before possession of site, the Contractor must prepare and submit to the Principal's Representative for the Principal Representative's approval a construction program for the carrying out of the Works in accordance with this Contract.
- 20.1.2. The program will need to take into account Court sitting days and public opening hours.
- 20.1.3. None of the Principal's Representative shall be liable for any errors in the Construction Program.
- 20.1.4. A copy of the Construction Program shall be retained at the Site and the Contractor must note on it the actual progress of the Works and inform the Principal's Representative of any circumstances that might affect the Construction Program or delay completion of the Works by the Date for Practical Completion.
- 20.1.5. The Contractor must submit regular progress reports to the Principal's Representative, as nominated by the Principal's Representative, containing information on the progress of the Works, labour and materials on Site and details of any information required by the Principal's Representative.
- 20.1.6. Site meetings must be held by the Contractor as requested by the Principal's Representative.
- 20.1.7. The Contractor must arrange for a senior member of its staff and the Supervisor to attend all Site meetings.
- 20.1.8. The Contractor must maintain a complete copy of the drawings and specifications and Construction Program at the Site at all times during all phases of the Works.
- 20.1.9. The Principal's Representative will produce minutes of all Site meetings and distribute copies to the Principal, the Contractor and other interested parties as soon as possible after the meeting.
- 20.1.10. Where appropriate, the minutes of Site meetings shall be regarded as written instructions by the Principal's Representative to the Contractor and the provisions of clause 18.1.2 shall apply.

21. Payment of the Contract Price

- 21.1.1. In consideration of the Contractor carrying out the Works in accordance with this Contract the Principal agrees to pay to the Contractor the Contract Price.
- 21.1.2. The Contract Price is inclusive of:

- a. all costs, expenses, disbursements, levies and taxes incurred by the Contractor in carrying out and completing the Works; and
 - b. all ancillary and other works and expenditure, whether separately or specifically mentioned or described in the Contract Documents or not, which are necessary to carry out and bring to completion the Works as described in the Contract Documents.
- 21.1.3. The Contract Price will be paid progressively by progress payments monthly upon the Contractor performing the Works to the satisfaction of the Principal's Representative.
- 21.1.4. The Contractor must at the end of each month during the term of this Contract prepare and submit to the Principal's Representative for approval and payment a correct tax invoice for the Works completed in the previous month.
- 21.1.5. The tax invoice shall set out the Contractor's claim for that part of the Contract Price that it considers payable for Works completed during the relevant month.
- 21.1.6. The form and content of the tax invoice shall be determined by the Principal.
- 21.1.7. Whenever called upon so to do by the Principal's Representative, the Contractor must:
- a. provide additional information and documentation; and
 - b. allow access to all records relating to the Works,
- in order to check the accuracy of the tax invoices submitted by the Contractor.
- 21.1.8. The Principal's Representative may inspect the works and seek advice on the claimed invoiced works.
- 21.1.9. The Principal's Representative will assess tax invoices submitted by the Contractor and, subject to this clause 21, pay the amount claimed or such proportion thereof that it considers payable within 30 days of receipt.
- 21.1.10. Where the amount determined as payable by the Principal's Representative is less than the amount claimed by the Contractor, the Principal's Representative will provide to the Contractor with written reasons for the difference.
- 21.1.11. If the Principal exercises its rights under this clause, the 30 day period for payment will be extended by a period equivalent to that which it takes the Contractor to rectify any deficiency in a tax invoice or performance of the Works to the satisfaction of the Principal.
- 21.1.12. The Principal may, without derogating from any other right it may have, defer assessing a tax invoice or paying the amount payable thereunder until the Contractor has completed to the satisfaction of the Principal the whole or any part of the Works in accordance with this Contract to which the tax invoice relates.
- 21.1.13. Any payment of the Contract Price made to the Contractor will not be taken as evidence against or as an admission by the Principal that the Works have been

carried out in accordance with this Contract or of the value thereof, but will be taken to be payment on account only and no payment will be deemed to release the Contractor from the requirements of this Contract.

- 21.1.14. Within 14 days after the expiry of the Defects Liability Period as varied under this Contract, the Contractor must lodge a final claim for a progress payment under this clause 21, which claim includes all moneys to which the Contractor considers itself entitled in connection with this Contract
- 21.1.15. After the expiry of the period in clause 21.1.14, any claim which the Contractor may otherwise have made against the Principal and which has not been made is barred.
- 21.1.16. Within 14 days after the lodgement of a final claim under clause 21.1.14 or, where the Contractor fails to lodge such a claim, the expiry of the period in which such a claim may have been lodged by the Contractor, the Principal's Representative shall issue a final payment certificate certifying the amount, which in the Principal's Representative's opinion, is finally due from the Principal to the Contractor or from the Principal to the Contractor or arising out of or in connection with this Contract.

22. Completion of the Works

- 22.1.1. The Contractor must bring the Works to Practical Completion by the Date for Practical Completion.
- 22.1.2. The Contractor may request an extension to the Date for Practical Completion for any delay to the Works reaching Practical Completion due to a cause beyond the Contractor's reasonable control. Such a request to the Principal should include reasons to support a change in the Date for Practical Completion.
- 22.1.3. The Principal will pay the Contractor any cost reasonably incurred due to a delay to the Works caused by an act or omission of the Principal or the Principal's agents (including a Specialist Contractor).

23. Suspension of the Works

- 23.1.1. The Principal may, at any time, suspend the Works or any part thereof and the Contractor shall comply with a written direction to that effect from the Principal's Representative.
- 23.1.2. The Principal's Representative shall notify the Contractor when the Works or part thereof are to be resumed and the number of days (if any) by which the Construction Period shall be extended as a result of such suspension.
- 23.1.3. Subject to clause 23.1.4, the Principal is not liable for any loss or damage whatsoever incurred by the Contractor as a result of the Works being suspended or in respect of work done or lost during the period of such suspension.

- 23.1.4. The Principal will pay for the expense of personnel necessarily retained at the Site during the period of suspension if agreed to by the Principal at the time of suspension.
- 23.1.5. The Principal is not liable to compensate the Contractor for any loss or damage arising out of suspension of the Works or any part thereof caused by or attributable to the Contractor and such suspension shall not excuse the Contractor from any of its obligations under this Contract.

24. Acceptance of the Works

- 24.1.1. When the Contractor believes that Practical Completion of the Works has been achieved it must notify the Principal's Representative.
- 24.1.2. A joint inspection of the Works will be carried out by the Principal, the Principal's Representative and the Contractor.
- 24.1.3. The Principal's Representative will compile a list of defects and omissions (if any) and will furnish the Contractor with a copy together with written notice requiring the Contractor to rectify the same.
- 24.1.4. The Contractor must immediately execute and complete within a reasonable period all necessary rectification works.
- 24.1.5. On completion of the rectification works (other than minor defects or omissions permitted under the definition of Practical Completion in clause 1.1.1) to the satisfaction of the Principal's Representative, the Principal's Representative shall certify accordingly by issuing the Certificate of Practical Completion.
- 24.1.6. The Defects Liability Period shall begin from the date of the Certificate of Practical Completion issued by the Principal's Representative.
- 24.1.7. During the Defects Liability Period the Principal's Representative may notify the Contractor of any defects or omissions in the Works.
- 24.1.8. The Contractor must immediately execute and complete within a reasonable period all necessary rectification works.
- 24.1.9. In respect of defects and omissions in the Works required to be rectified by the Contractor under clause 24.1.8, the Defects Liability Period will be extended to a period of 12 months commencing on the completion of such rectification or further rectification, as the case may be.
- 24.1.10. The date of the Certificate of Practical Completion issued by the Principal's Representative shall be the date of acceptance of the Works by the Principal, prior to which the Works shall not be considered as accepted, either in whole or in part.
- 24.1.11. The presence of the Principal, the Principal's Representative during the execution of the Works, or use being made of part of the Works, shall not constitute acceptance of the Works or of part of the Works.

25. Care and protection of the Works

- 25.1.1. The Contractor is responsible for the care of the Works and, in case of any loss or damage from any cause whatsoever, shall at its own cost repair and make good the same.
- 25.1.2. The Contractor must safeguard the Site and all materials, parts, plant, equipment and machinery (including that of the Principal) on the Site which shall always remain at the Contractor's sole risk.
- 25.1.3. All materials supplied to and all other property placed in the care of the Contractor or any subcontractor by the Principal is at the Contractor's absolute risk from time of receipt by the Contractor or subcontractor until issue of the Certificate of Practical Completion.
- 25.1.4. The Contractor must provide adequate protection, hoarding and other temporary measures necessary to protect all occupants of and visitors to the Site during the Works and to protect all existing structures, equipment, finishes, furniture and furnishings, and adjacent motor vehicles from damage.
- 25.1.5. The Contractor must take every precaution necessary to protect all occupants of the Site and the public from nuisance, injury or death during the course of the Works.
- 25.1.6. The Works shall be at the risk of the Contractor until 4.00pm on the Date of Practical Completion.

26. Insurance

- 26.1.1. The Contractor must take out and maintain the insurances in accordance with this clause.
- 26.1.2. The Contractor must insure the Works against loss or damage by fire, explosion, lightning, flood, earthquake, terrorism, aircraft or aerial devices dropped there from and riot for the full value of the Works and all unfixed materials and goods intended for, delivered to and placed on or adjacent to the Works. This insurance must include professional fees and removal of debris so that in the event of serious loss the Site may be cleared without reducing the amount available for reconstruction. The amount of such cover shall be as specified in Schedule 1.
- 26.1.3. The Contractor must maintain a public liability policy of insurance for an amount not less than that specified in Schedule 1, providing cover for any loss of or damage to property or claims by any person in respect of personal injury or death arising from or in connection with the carrying out of the Works.
- 26.1.4. The Contractor must insure against any liability, loss, damage, claim or proceeding whatsoever arising at common law or under any statute relating to workers compensation as a result of personal injury to or death of any person employed by the Contractor or any subcontractor in or about the carrying out of the Works.

- 26.1.5. The Contractor shall maintain the insurances described in this clause from the date the Works commence until the Date of Practical Completion and thereafter must extend them to provide cover during the Defects Liability Period in respect of the Contractor carrying out its maintenance obligations and until no further work of any kind is being carried out.
- 26.1.6. The insurances shall be taken out with a company or companies acceptable to the Principal and certificates of currency and copies of the policies must be given to the Principal before the Works commence.
- 26.1.7. The Principal is not obliged to make any payment to the Contractor under this Contract until copies of the required certificates of currency and insurance policies have been given to the Principal.

27. Liability

- 27.1.1. To the extent permitted by law, the operation of any legislative proportionate liability regime is excluded in relation to any claim against the Contractor under or in connection with this Contract (including (if applicable) the *Civil Law (Wrongs) Act 2002 (ACT)*).
- 27.1.2. The Contractor indemnifies the Principal against:
- a. all claims for royalties, licence fees, damages or other claims arising out of the use of any copyright material, patents, patented apparatus, materials, devices or processes forming the whole of, or incorporated in part of, the Works provided by the Contractor;
 - b. any expense, liability, loss, claim or proceedings whatsoever arising under any statute or at common law in respect of personal injury to or the death of any person arising out of or in the course of or caused by the carrying out of the Works, unless due to any act or neglect of the Principal or any person for whom the Principal is responsible other than the Contractor; and
 - c. any expense, liability, loss, claim or proceedings in respect of any death, injury or damage whatsoever to any property real or personal in so far as such death, injury or damage arises out of or in the course of or by reason of the carrying out of the Works, provided that the same is due to any negligence, omission or default of the Contractor, its employees or agents or of any subcontractor, and is not due to any act or neglect of the Principal or any person for whom the Principal is responsible other than the Contractor.
- 27.1.3. If any worker or other person employed on the Works or in connection with this Contract, whether in the employment of the Contractor or others, suffers any death or personal injury and whether there be a claim for compensation or not, the Contractor must without delay give notice in writing of such death or personal injury to the Principal.

28. Defective work, default and breach of Contract

- 28.1.1. The Principal's Representative may reject any work or materials not in accordance with this Contract.
- 28.1.2. If, before the issue of a Certificate of Practical Completion, the Principal's Representative notifies the Contractor:
- a. that any work performed or material used is defective or does not conform to the Contractor Documents; and
 - b. that the Contractor has failed to remedy any defect in the Works,
- the Contractor shall be bound to forthwith remedy any such default.
- 28.1.3. If the Contractor fails to remedy any default as described in clause 28.1.2, the Principal may employ or pay other persons to remedy the default and complete the Works as it considers necessary without prejudice to any other rights or remedies the Principal may have against the Contractor.
- 28.1.4. If the Principal does employ or pay such other persons to remedy the default and complete the Works, the Contractor's engagement under this Contract is terminated and the Principal may cause the Contractor and its equipment and other goods to be removed from the Site.
- 28.1.5. All costs and charges incurred as a result of, or incidental to, such new appointment and the Works to be carried out thereunder may be deducted from moneys otherwise due to the Contractor.
- 28.1.6. Where such costs and charges exceed the amount due to the Contractor, the balance shall become a debt due to the Principal from the Contractor.
- 28.1.7. If, during the term of this Contract, the Contractor becomes subject to a form of external administration under Chapter 5 of the *Corporations Act 2001* (Cth):
- a. the Principal may immediately terminate this Contract and engage another contractor to complete the Works;
 - b. the Principal shall be under no liability to make any further payment to the Contractor and may prove in any liquidation for any loss and damage consequent upon the engagement of another contractor; and
 - c. ownership of the Contractor's materials on the Site shall vest in the Principal who may deal with them as it sees fit.
- 28.1.8. In the event of the termination of this Contract by the Principal pursuant to this clause, the Contractor shall have no further rights or claims against the Principal under or by virtue of this Contract.

29. Building Code 2016

29.1. Building Code 2016

29.1.1. The Contractor must comply with the Building Code 2016 for the Tendering and Performance of Building Work . Copies of the Code are available at <https://www.jobs.gov.au/abcc-and-building-code>

29.1.2. The Contractor declares as at the Award Date in relation to the Commonwealth Funded Building Work that is the subject of the Contract, that it:

- a. is not subject to an Exclusion Sanction;
- b. is not covered by, and does not have Related Entities covered by, an Enterprise Agreement that does not meet the requirements of section 11 of the Building Code 2016;
- c. has not had an adverse decision, direction or order made by a court or tribunal for a breach of the Building and Construction Industry (Improving Productivity) Act 2016 (Cth), a designated building law, work health and safety law or competition and consumer law which has not been stayed or revoked and for which the period for compliance has expired without it having complied with the decision, direction or order; and
- d. unless approved otherwise by the ABC Commissioner, is not excluded from performing Building Work funded by a State or Territory Government.

29.1.3. The Contractor:

- a. declares as at the Award Date; and
- b. must ensure that at all times,

in relation to the Commonwealth Funded Building Work that is the subject of the Contract, that it and its subcontractors (who are either "Building Contractors" or "Building Industry Participants" for the purposes of the Building and Construction Industry (Improving Productivity) Act 2016 (Cth)):

- c. comply with the Building Code 2016;
- d. will only use products that comply with the relevant Australian standards published by, or on behalf of, Standards Australia; and
- e. if the Contract Particulars state that a Workplace Relations Management Plan is required, comply with the Workplace Relations Management Plan approved by the ABCC in accordance with Part 6 of the Building Code 2016.

29.1.4. Compliance with the Building Code 2016 does not relieve the Contractor from responsibility to perform the Contract, or from liability for any defect arising from compliance with the Building Code 2016.

29.1.5. The Contractor must:

- a. notify the ABCC of any breach or suspected breach of the Building Code 2016 as soon as practicable but no later than two business days after becoming aware of the breach or suspected breach and of the steps proposed to be taken to rectify the breach; and
 - b. if it notifies the ABCC of a breach or a suspected breach of the Building Code 2016 under subparagraph (a), immediately notify the Commonwealth in writing.
- 29.1.6. The Contractor acknowledges the powers and functions of the ABC Commissioner and the ABCC under the Building and Construction Industry (Improving Productivity) Act 2016 (Cth) and the Building Code 2016 and will ensure that it and its subcontractors comply with any requests made by the ABCC and the ABC Commissioner within those powers and functions, including requests for entry under section 72 of the Building and Construction Industry (Improving Productivity) Act 2016 (Cth), requests to interview any person under section 74 of the Building and Construction Industry (Improving Productivity) Act 2016 (Cth), requests to produce records or documents under sections 74 and 77 of the Building and Construction Industry (Improving Productivity) Act 2016 (Cth) and requests for information concerning matters relating to the Building Code 2016 under subsection 7(c) of the Building Code 2016.
- 29.1.7. The Contractor must only enter into a subcontract for any of the Commonwealth Funded Building Work that is the subject of the Contract where:
- a. the subcontractor is not subject to an Exclusion Sanction or excluded from undertaking work funded by a State or Territory Government unless approval to do so is provided by the ABC Commissioner;
 - b. the subcontractor is not covered by, and does not have Related Entities covered by, an Enterprise Agreement that does not meet the requirements of section 11 of the Building Code 2016;
 - c. the subcontractor has submitted a declaration of compliance, including the further information outlined in the attachment to the declaration of compliance, in the form set out in the Proforma Building Code 2016 Subcontract Provisions (or in such other form as notified in writing by the Commonwealth);
 - d. the subcontract contains provisions in the form set out in the Proforma Building Code 2016 Subcontract Provisions (or in such other form as notified in writing by the Commonwealth):
 - e. the subcontractor has advised, prior to entering into a subcontract with the Contractor, whether the subcontractor has within the preceding three year period:
 - i. had an adverse decision, direction or order made by a court or tribunal for a breach of a designated building law, work health and safety law or the Migration Act 1958 (Cth); or

- ii. been required to pay any amounts under an adjudication certificate (provided in accordance with a law relating to the security of payments that are due to persons in respect of Building Work) or owed any unsatisfied judgement debts (including by any Related Entity) to a Building Contractor or a Building Industry Participant; and
 - f. the subcontractor has agreed to update the advice referred to in subparagraph (v) every six months for the duration of the subcontract between the Contractor and the subcontractor.
- 29.1.8. The Contractor must provide the Commonwealth with any declaration of compliance referred to in paragraph (29.1.7) (c.) on request.
- 29.1.9. The Contractor must as soon as practicable notify the Commonwealth and the ABCC when:
- a. a dispute arises regarding a payment claim submitted by a subcontractor; or
 - b. there is a delay in payment of a payment claim submitted by a subcontractor, after the date on which payment of that payment claim falls due.
- 29.1.10. For the purposes of subparagraph (29.1.9) a disputed or delayed progress payment claim means a dispute or claim about:
- a. the Contractor failing to pay a subcontractor all moneys due and payable in accordance with the terms of the relevant subcontract;
 - b. an amount specified in a payment statement/notice of dispute issued under the relevant Security of Payment Legislation resulting in a subcontractor not being paid by the Contractor by the date prescribed by those laws;
 - c. other than in Western Australia and Northern Territory, the Contractor:
 - i. failing to issue a payment statement/notice of dispute under the relevant Security of Payment Legislation to a subcontractor in response to a valid payment claim; and
 - ii. failing to pay all moneys due and payable by the date prescribed in the relevant Security of Payment Legislation regarding the payment claim referred to in sub subparagraph i;
 - d. the Contractor failing to pay the adjudicated amount to a subcontractor following a determination by an adjudicator under the relevant Security of Payment Legislation by the date prescribed in those laws;
 - e. the Contractor failing to pay a subcontractor following a binding determination by a third party such as a court, arbitrator, or expert in accordance with the relevant determination; or

- f. any other disputed or delayed payment claim required to be notified to the Commonwealth and the ABCC to ensure compliance with the Building Code 2016.
- 29.1.11. For the purposes of subparagraph (29.1.9) the Contractor must notify the Commonwealth and ABCC in the form of the Security of Payment Reporting Form available from the ABCC at <https://www.abcc.gov.au/building-code/security-payments>.

30. Protection of Personal Information

30.1. Obligations of the Contractor in relation to privacy

- 30.1.1. The Contractor agrees, in carrying out the Works:
- a. not to do any act or engage in any practice which, if done or engaged in by the Principal, would be a breach of the requirements of Division 2 of Part III of the *Privacy Act 1988* (Cth); and
 - b. to comply with any directions, guidelines, determinations or recommendations referred to in, or relating to the matters set out in Schedule 1, to the extent that they are consistent with the obligations referred to in subclause a above.
- 30.1.2. The Contractor agrees to notify the Principal immediately if it becomes aware of a breach or possible breach of any of its obligations under this clause
- 30.1.3. The Contractor agrees to ensure that any subcontract entered into by the Contractor for the purpose of fulfilling its obligations under this Contract imposes on the subcontractor the same obligations that the Contractor has under this clause (including this requirement in relation to subcontracts).

31. Intellectual Property

31.1. Intellectual Property Rights

- 31.1.1. The Contractor represents and warrants that any design, material, document or method of work prepared or supplied by it for the purposes of the Works does not infringe any patent, registered design, trade mark or name, copyright or other right or form of protection (such as moral rights) available to a person in respect of intellectual property ('IP Rights') and the Contractor indemnifies the Principal against all losses, costs and damages incurred by the Principal by reason of any such infringement.
- 31.1.2. The Contractor grants to (or will procure for) the Principal a permanent irrevocable, royalty-free, world-wide, non-exclusive licence (including a right to sub-licence) to use, reproduce, adapt and exploit all intellectual property provided by the Contractor which is protected by any form of IP Rights (including moral rights).
- 31.1.3. The Contractor must provide moral rights consents in a form approved by the Principal if requested by the Principal.

32. Confidentiality of Official Information

32.1. Interpretation of clause

32.1.1. In this clause 32.1:

Official Information means any information developed, received or collected by or on behalf of the Principal to which the Contractor gains access under or in connection with this contract;

Official Resources includes:
a. Official Information;
b. people who work for or with the Principal; and
c. assets belonging to (even if in the possession of contracted providers) or in the possession of the Principal;

Security Classified Resources means Official Resources that, if compromised, could have adverse consequences for the Principal; and

Security Incident means a security breach, violation, contact or approach from those seeking unauthorised access to Official Resources.

32.2. Confidentiality of Official Information

32.2.1. The Contractor will not, without prior written authorisation of the Principal, disclose any Official Information to any person (unless required to do so by law).

32.2.2. The Contractor is authorised to provide Official Information to those personnel and subcontractors who require access for the purposes of this Contract.

32.2.3. The Contractor agrees, on request by the Principal at any time, to arrange for the personnel and subcontractors referred to in clause 32.2.2 to give a written undertaking in a form acceptable to the Principal relating to the use and non-disclosure of Official Information.

32.2.4. The Contractor agrees to secure all Official Information against loss and unauthorised access, use, modification or disclosure.

32.3. Other security obligations of Contractor

32.3.1. The Contractor agrees:

- a. to ensure that all personnel that require access to Security Classified Resources have obtained the appropriate security clearance;
- b. to make its personnel available to attend any security training provided by the Principal; and

- c. to notify the Principal immediately if it becomes aware that a Security Incident has occurred and otherwise implement the Principal's procedures for Security Incident reporting as advised by the Principal from time to time.
- 32.3.2. The Contractor agrees to implement security procedures to ensure that it meets its obligations under this clause 31 and will provide details of these procedures to the Principal on request.
- 32.4. Media or other enquiries**
- 32.4.1. The Contractor must not release any information relating the Site or the Works, for publication in any media without prior approval of the Principal. The Contractor must refer all media and other enquiries to the Principal.

33. General

33.1. Subcontractors

- 33.1.1. The Contractor agrees to ensure that:
- a. its subcontractors and personnel comply with all relevant obligations and requirements binding on the Contractor under this Contract; and
 - b. any contract entered into in connection with this Contract imposes all those obligations and relevant requirements on the other party.

33.2. Work health and safety

- 33.2.1. In this clause 33.2, 'WHS Law' means the *Work Health and Safety Act 2011* (Cth) and the *Work Health and Safety Regulations 2011* (Cth).
- 33.2.2. The Contractor agrees, in carrying out this Contract, to comply with:
- a. all relevant legislation, codes of practice and national standards relating to work health and safety; and
 - b. all applicable policies and procedures relating to work health and safety including those that apply to the Principal's premises when using those premises.
- 33.2.3. Prior to commencement of Work and before possession of Site the Contractor shall provide a Work Health and Safety Plan and, if applicable, an approved Traffic Management Plan as required by Schedule 4.
- 33.2.4. In the event of any inconsistency between any of the policies and procedures referred to in clause 33.2.2, the Contractor will comply with those policies and procedures that produce the highest level of health and safety.
- 33.2.5. The Contractor agrees and acknowledges that for the purposes of the WHS Law, in carrying out the Works:
- a. it is a person conducting a business or undertaking;
 - b. it has been authorised by the Principal to have management and control of the Site; and

- c. it has been engaged by the Principal and has accepted appointment as the 'principal contractor' in relation to the Works;
- 33.2.6. The Contractor must comply with all the duties and obligations imposed on a principal contractor under the WHS Law, including but not limited to:
- a. complying with its health and safety duties in relation to all Works;
 - b. complying with the consultation, representation and participation requirements, including any consultation required with designers and manufacturers;
 - c. preparing safe work method statements for high risk construction work and ensuring that the high risk construction work is carried out in accordance with the safe work method statements;
 - d. complying with all relevant codes of practice approved under the WHS Law; and
 - e. permitting entry to the Site work health and safety entry permit holders.
- 33.2.7. In relation to the Works the Contractor further agrees to:
- a. comply with any direction or requirement of the Principal or the Principal's Representative in relation to work health and safety in relation to the Works and acknowledges that such direction shall not relieve the Contractor of its obligation to carry out the Works in accordance with the Contract or entitle the Contractor to an extension of time or delay damages;
 - b. if applicable, consult and co-operate with any designers in relation to an obligation imposed on the designer by WHS Law;
 - c. immediately notify the Principal of any notifiable incident as defined in the WHS Law;
- and
- d. not permit any act or omission that causes or may cause the Principal or the Contractor to not comply with the WHS Law.
- 33.3. Hazardous Substances and Asbestos**
- 33.3.1. The Contractor must ensure that no materials containing Asbestos or other Hazardous Substances are used in the execution of the Works or in any materials to be installed as part of them.
- 33.3.2. If at any time the Contractor discovers the presence on the Site of any material suspected of containing or likely to contain Asbestos or any other substance defined or listed as a Hazardous Substance it must:
- a. not disturb the material under any circumstances;
 - b. contact and inform the Principal's Representative of the existence of the material on Site; and

- c. ensure that all persons are protected from exposure to the material until the nature of the material has been competently determined.
- 33.3.3. The Principal will issue Directions to the Contractor in respect of further action to be taken.
- 33.3.4. All such materials upon the Site must if so directed by the Principal be treated or removed in accordance with the requirements of the Australian Safety and Compensation Council *Safe Removal of Asbestos 2nd Edition* [NOHSC:2002(2005)] or similarly endorsed "Code of Practice" for the safe removal of such materials and any other legislation or regulations in the Country in which the Works are situated that relate to the removal of such materials.
- 33.4. Compliance with Laws**
- 33.4.1. The Contractor must comply with the laws from time to time in force in the Commonwealth of Australia and the Australian Capital Territory in performing its obligations under this Contract.
- 33.5. No outstanding judicial decisions in relation to employee entitlements**
- 33.5.1. The Contractor warrants that at the date of this Contract it does not have any judicial decision against it (not including decisions under appeal) relating to employee entitlements which has not been paid
- 33.6. Affirmative Action**
- 33.6.1. The Contractor:
 - a. must comply with its obligations, if any, under the *Workplace Gender Equality Act 2012* (Cth) ("Act"); and
 - b. must not enter into a subcontract under this Contract with a Subcontractor named by the Workplace Gender Equality Agency as an employer currently not complying with the Act.
- 33.7. Conflict of Interest**
- 33.7.1. The Contractor:
 - a. warrants that, at the commencement of this Contract, no conflict of interest exists or is likely to arise in the carrying out of the Works; and
 - b. must if a conflict, or risk of conflict, of interest arises during the term of this Contract:
 - i. notify the Principal immediately in writing of that conflict or risk;
 - ii. make full disclosure of all relevant information relating to the conflict or risk; and
 - iii. comply with any requirement of the Principal to eliminate or otherwise deal with that conflict or risk.

33.8. Audit and Access

33.8.1. The Contractor agrees:

- a. to give the Principal's Representative, or any persons authorised in writing by the Principal's Representative, access to premises occupied by the Contractor; and
- b. to permit those persons to inspect and take copies of any material relevant to the carrying out of the Works.

33.8.2. The rights referred to in this clause are subject to:

- a. the Principal providing reasonable prior notice;
- b. the Contractor's reasonable security procedures; and
- c. if appropriate, execution of a deed of confidentiality relating to non-disclosure of the Contractor's Confidential Information.

33.8.3. Without in any way affecting the statutory powers of the Auditor-General under the *Auditor-General Act 1997* (Cth), and subject to the provisions of that Act, the Auditor-General is a person authorised for the purposes of this clause.

33.9. Compliance with Fair Work Principles

33.9.1. The Contractor must comply, and as far as practicable must ensure its subcontractors comply, with all relevant requirements of the Fair Work Principles as set out in the Fair Work Principles User Guide (available at <http://deewr.gov.au/fair-work-principles>), including by:

- a. complying with all applicable workplace relations, occupational health and safety and workers' compensation laws;
- b. informing the Principal of any adverse court or tribunal decision for a breach of workplace relations law, occupational health and safety laws or workers' compensation laws made against it during the term of this Contract and any remedial action it has taken, or proposes to take, as a result of the decision;
- c. providing the Principal with any information the Principal reasonably requires to confirm that the Contractor (and any subcontractor) is complying with the Fair Work Principles; and
- d. participating in all compliance activities associated with its legal obligations, including those arising under the Fair Work Principles. Compliance activities may include responding to requests for information and/or audits undertaken by the Commonwealth, its nominees and/or relevant regulators.

33.9.2. Compliance with the Fair Work Principles shall not relieve the Contractor from its responsibility to comply with its other obligations under this Contract.

33.9.3. If the Contractor does not comply with the Fair Work Principles, without prejudice to any rights that would otherwise accrue to the Principal, the

Principal, or any other Commonwealth agency, shall be entitled to publish details of the Contractor's failure to comply (including the Contractor's name) and to otherwise provide those details to other Commonwealth agencies.

33.9.4. As far as practicable, the Contractor must:

- a. not use a subcontractor in relation to this Contract where the subcontractor would be precluded from contracting directly with the Principal under the requirements of the Fair Work Principles; and
- b. ensure that all subcontracts impose obligations on subcontractors equivalent to the obligations specified in clauses 33.9.1 to 33.9.4.

33.10. Assignment

33.10.1. The Contractor cannot assign its obligations, and agrees not to assign its rights, under this contract without the Agency's prior written approval.

33.11. Joint and Several Liability

33.11.1. If the Contractor consists of 2 or more persons, all of them are jointly and severally liable to the Principal for the performance of every Contractor obligation under the Contract.

33.12. Survival

33.12.1. Unless the contrary intention appears, the expiry or earlier termination of this contract will not affect the continued operation of any provision relating to:

- a. licensing of Intellectual Property;
- b. confidentiality;
- c. security;
- d. privacy;
- e. dealing with copies;
- f. books and records;
- g. audit and access;
- h. an indemnity;

or any other provision which expressly or by implication from its nature is intended to continue.

33.13. Entire agreement

33.13.1. This Contract contains the entire agreement of the parties with respect to its subject matter and supersedes all earlier conduct by the parties with respect to its subject matter.

33.14. Goods and Services Tax

- 33.14.1. Unless otherwise indicated, all consideration for any supply made under this Contract is exclusive of any GST imposed on the supply.
- 33.14.2. If one party (the supplier) makes a taxable supply to the other party (the recipient) under this Contract, on receipt of a tax invoice from the supplier, the recipient must pay without set off an additional amount to the supplier equal to the GST imposed on the supply in question.
- 33.14.3. No party may claim from the other party under this Contract any amount for which the first party may claim an input tax credit.

33.15. Relationship of parties

- 33.15.1. Nothing contained in this Contract will or is to be construed as creating a partnership, joint venture or relationship of principal and agent between the parties.

33.16. Notices

- 33.16.1. Any notice, request, consent, demand or communication required or permitted to be given under this Contract must be in writing and delivered by hand, by post or by facsimile transmission to the address of the party in Schedule 1 or to such other address as a party may specify by notice given in accordance with this clause.
- 33.16.2. Any such notice, request, demand or communication given will be deemed to have been given, in the case of delivery by hand, when delivered, in the case of delivery by post, 3 working days after posting and in the case of delivery by facsimile transmission, when a legible facsimile is received by the recipient.

33.17. Good faith

- 33.17.1. The parties shall act in good faith towards one another in relation to this Contract.

33.18. Further assurances

- 33.18.1. Each of the parties will execute and deliver all such further documents and do such further acts and things as may be reasonably required from time to time to give effect to this Contract.

33.19. Amendments

- 33.19.1. This Contract or any part can only be amended, supplemented, replaced or novated by agreement in writing signed by the parties.

33.20. Waiver and consent

- 33.20.1. No consent or waiver, express or implied, by a party to or of any breach or default by the other party of any or all of its obligations under this Contract will

be valid unless it is in writing, nor will it eliminate or modify the need for a specific consent or waiver in any other or subsequent instance.

33.21. Severability

33.21.1. If any provision of this Contract is determined by a court of competent jurisdiction to be invalid, illegal or unenforceable in any respect, such determination will not impair or affect the validity, legality or enforceability of the remaining provisions of this Contract and each provision is hereby declared to be separate, severable and distinct.

33.22. Counterparts

33.22.1. This Contract may be executed in counterparts, including facsimile copies, and when each party has executed a counterpart, each of such counterparts will be deemed to be an original and when taken together will constitute one and the same contract.

33.23. Governing law

33.23.1. The provisions of this Contract will be governed by and construed in accordance with the laws of the Australian Capital Territory.

33.24. Site Conditions

33.24.1. The Principal acknowledges that the Contractor may suffer cost, loss, expense or damage (losses) if any site condition encountered by the Contractor differs from conditions that the Contractor should reasonably have anticipated at the date of the Contract.

33.24.2. The Contract Price will be adjusted by the amount of any losses suffered or incurred by the Contractor by reason of any such difference.

33.25. Liquidated Damages

33.25.1. If the Works do not reach Practical Completion by the Date for Practical Completion, the Contractor must pay to the Principal by way of liquidated damages the amount specified in Schedule 1 for every day after the Date for Practical Completion up to and including the Date of Practical Completion or the date the Contract is terminated, whichever occurs first.
