

CHIEF COMMISSIONER OF STATE REVENUE ABN 77456270638

v

MERIDIAN ENERGY AUSTRALIA PTY LTD

[2023] HCASL 216

S73/2023

- 1 The applicant requires an extension of time within which to seek special leave to appeal from a judgment of the Court of Appeal of the Supreme Court of New South Wales (Kirk JA, Adamson JA and Griffiths AJA agreeing). The proposed appeal is not a suitable vehicle for the agitation of the questions of principle raised. It would therefore be futile to grant the extension of time that is sought.
- 2 Special leave to appeal is refused with costs.
