

*DAJ22 AS LITIGATION REPRESENTATIVE FOR DAI22*  
v  
*MINISTER FOR IMMIGRATION, CITIZENSHIP AND MULTICULTURAL  
AFFAIRS & ORS*  
[2024] HCASL 138  
B8/2024

- 1       The applicant requires an extension of time within which to seek special leave to appeal from a decision of the Federal Court of Australia exercising appellate jurisdiction (Logan J).
- 2       The application does not give rise to any reason to doubt the correctness of the decision of the Federal Court. Accordingly, it would be futile to grant an extension of time.
- 3       Special leave to appeal is refused with costs.
