

*CONROY*  
v  
*CRESSWELL & ANOR*  
[2024] HCASL 144  
S9/2024

- 1       The applicant requires an extension of time within which to seek special leave to appeal from part of the judgment of the Federal Circuit and Family Court of Australia (Division 1) in its appellate jurisdiction (McClelland DCJ), allowing an appeal from a judgment of a single judge of the Federal Circuit and Family Court of Australia (Division 2) (Judge Obradovic).
- 2       The proposed appeal has insufficient prospects of success and does not raise a question of law of public importance. It would therefore be futile to grant an extension of time.
- 3       Special leave to appeal is refused with costs.
