*RAHIMI*  
v  
*THE STATE OF WESTERN AUSTRALIA*  
[2024] HCASL 173  
P14/2024  
P15/2024

- 1 In each application, the applicant requires an extension of time within which to seek special leave to appeal from the judgment of the Court of Appeal of the Supreme Court of Western Australia (Quinlan CJ, Mazza JA and Lundberg J) of 8 February 2024. Each application has no prospects of success. It would therefore be futile to grant the extensions of time that are sought.
- 2 Special leave to appeal is refused.
