v  
*SYDNEY LOCAL HEALTH DISTRICT "SLHD" ABN 17 520 269 052 & ORS*  
[2024] HCASL 210  
S58/2024

- 1       The applicant requires an extension of time within which to seek special leave to appeal from a decision of the Court of Appeal of the Supreme Court of New South Wales (Ward P and Gleeson JA) dismissing the applicant's summons seeking leave to appeal from a judgment of the Supreme Court of New South Wales (Fagan J).
- 2       The application does not identify any reason to doubt the correctness of the decision of the Court of Appeal, which involved the application of settled principles concerning practice and procedure. An appeal to this Court would enjoy no prospects of success. Accordingly, it would be futile to grant an extension of time.
- 3       Special leave to appeal is refused.
