v  
*MR TURNBULL*  
[2024] HCASL 259  
B39/2024

- 1       The applicant seeks special leave to appeal from a judgment of a single judge of the Federal Circuit and Family Court of Australia (Division 1) exercising appellate jurisdiction (Campton J) summarily dismissing an appeal from a decision of the Federal Circuit and Family Court of Australia (Division 1) (Baumann J).
- 2       The application does not have any reasonable prospects of success and the judgment of the Federal Circuit and Family Court of Australia is not attended by sufficient doubt to warrant the grant of special leave to appeal.
- 3       Special leave to appeal is refused.
