

*IN THE MATTER OF AN APPLICATION BY UNCLE ROBBIE THORPE FOR
SPECIAL LEAVE TO APPEAL*

[2024] HCASL 315

M80/2024

1 The applicant requires an extension of time within which to seek special
leave to appeal from a judgment of the Court of Appeal of the Supreme Court
of Victoria (McLeish JA), which refused the applicant's application for a
direction to a Registrar to accept documents for filing.

2 The applicant's proposed grounds of appeal have no prospects of success.
It would therefore be futile to grant the extension of time that is sought.

3 Special leave to appeal refused.
