[2024] HCASL 92

B71/2023

- 1       The applicant seeks special leave to appeal from a decision of the Court of Appeal of the Supreme Court of Queensland (Morrison, Dalton and Boddice JJA) dismissing the applicant's application for leave to appeal from a decision of the Planning and Environment Court of Queensland (McDonnell DCJ).
- 2       The application raises no issue of general principle of public importance. An appeal to this Court would enjoy insufficient prospects of success.
- 3       Special leave to appeal is refused with costs.
