

CELIA
v
CELIA
[2025] HCADisp 107
M25/2025

- 1 The applicant seeks special leave to appeal from a judgment of the Federal Circuit and Family Court of Australia (Division 1) Appellate Jurisdiction (Austin J), which dismissed with costs the applicant's application for leave to appeal from a decision of the Federal Circuit and Family Court of Australia (Division 2) (Judge Champion) and dismissed the applicant's applications seeking permission to issue subpoenas and seeking to adduce further evidence. The decision of the Federal Circuit and Family Court of Australia (Division 2) dismissed with costs the applicant's interlocutory application for injunctions restraining the respondent from operating her bank accounts and struck out an affidavit.
- 2 The proposed appeal does not raise any question of principle. An appeal to this Court would enjoy no prospects of success.
- 3 Special leave to appeal is refused.
