S7/2025

- 1       The applicants seek special leave to appeal from part of the judgment of the Full Court of the Federal Court of Australia (Beach, O'Bryan and Rofe JJ), dismissing an appeal from a decision of the Federal Court of Australia (Perram J) and allowing a cross-appeal in part.
- 2       The proposed appeal does not enjoy sufficient prospects of success to warrant the grant of special leave to appeal and, further, is not an appropriate vehicle to determine the application of the questions of principle that are raised.
- 3       Special leave to appeal is refused with costs.
