[2025] HCADisp 155  
M36/2025

- 1       The applicant seeks special leave to appeal from part of the judgment of the Court of Appeal of the Supreme Court of Victoria (Walker and Whelan JJ, Lyons JA in dissent) which allowed an appeal in part from a decision of the Supreme Court of Victoria (Sloss J).
- 2       The proposed appeal would turn upon the application of principles of contract interpretation to the particular terms of a bespoke commercial contract rather than any dispute about the proper operation of those principles. An appeal to this Court would not enjoy sufficient prospects of success to warrant a grant of special leave to appeal.
- 3       Special leave to appeal is refused with costs.
