

NGUYEN
v
NORTHERN SYDNEY LOCAL HEALTH DISTRICT & ANOR
[2025] HCADisp 184
S91/2025

- 1 The applicant seeks special leave to appeal from part of a judgment of the Court of Appeal of the Supreme Court of New South Wales (Leeming JA, Bell CJ and McHugh JA agreeing) which dismissed an appeal (and an unpursued cross-appeal) from a judgment of the Equity Division of the Supreme Court of New South Wales (Parker J).
- 2 The application does not raise a question of law of public importance and any appeal would have insufficient prospects of success.
- 3 Special leave to appeal is refused.
