

GOLDEN
v
HOWARD & ANOR
[2025] HCADisp 226
S104/2025

- 1 The applicant requires an extension of time within which to seek special leave to appeal from the whole of a judgment of the Court of Appeal of the Supreme Court of New South Wales (Ward P, Payne and Ball JJA), granting leave to appeal but largely dismissing an appeal from a judgment of the Supreme Court of New South Wales (Rothman J).
- 2 The proposed appeal does not have sufficient prospects of success to warrant a grant of special leave to appeal. Nor does it raise any question of law of general application or public importance. It would therefore be futile to grant the extension of time which is sought.
- 3 Special leave to appeal is refused.
