Submitting appearance for the second respondent

1 EDELMAN J. On 3 April 2025, this Court made an order in this matter refusing  
special leave to appeal with costs.<sup>1</sup> It appears that matters concerning the  
respondents' costs of the proceeding remain to be determined.

2 The solicitor on record as representing the applicants in this Court has  
deposed to instructions from the applicants to the effect that the solicitor is no  
longer required to act on behalf of the applicants in this Court or in any associated  
proceedings. But no change of address for service, or notice of appearance by a  
new solicitor, has been filed. The solicitor has deposed to notice in writing having  
been given to the applicants of her intention to apply for leave to withdraw as  
solicitor. The solicitor has also provided, by affidavit, the last known address (for  
service) for each of the applicants.

3 The solicitor applies to withdraw as the solicitor on the record for the first  
to eighth applicants in accordance with r 6.02.5(c) of the *High Court Rules*  
*2004* (Cth). Orders should be made in accordance with that rule as follows:

1. Leave be granted for Emma Louise Jervis of Magnolia Legal Pty Ltd to  
withdraw as solicitor on the record for the first to eighth applicants.
2. Mrs Jervis serve a sealed copy of this order on every other party to the  
proceeding.
