

*KAUR*  
v  
*ROYAL MELBOURNE INSTITUTE OF TECHNOLOGY*  
[2025] HCADisp 26  
M107/2024

- 1       The applicant seeks an extension of time within which to seek special leave to appeal from decisions of the Victorian Civil and Administrative Tribunal (Deputy President I Lulham), the Supreme Court of Victoria (Watson J) and the Court of Appeal of the Supreme Court of Victoria (Walker JA).
- 2       To the extent that the proposed appeal challenges the judgment of the Court of Appeal, the application for special leave to appeal was filed within time and no extension of time is required. However, the proposed appeal would not enjoy sufficient prospects of success to warrant a grant of special leave, nor does it raise any question of general principle.
- 3       To the extent that the proposed appeal challenges the earlier decisions of the Victorian Civil and Administrative Tribunal and Supreme Court of Victoria, the proposed appeal likewise would not enjoy sufficient prospects of success to warrant a grant of special leave, nor does it raise any question of general principle. It would therefore be futile to grant the extension of time that is sought.
- 4       Special leave to appeal is refused.
