v

*AMP LIFE LTD*

[2025] HCADisp 50

B68/2024

- 1       The applicants require an extension of time within which to seek special leave to appeal from part of a judgment of the Court of Appeal of the Supreme Court of Queensland (Mullins P, Bond and Dalton JJA). The Court of Appeal dismissed an appeal from a judgment of the Supreme Court of Queensland (Crowley J) which permanently stayed the applicants' claim.
- 2       The proposed appeal does not have sufficient prospects of success to warrant a grant of special leave. Nor does it raise any issues of law of general application or public importance. It would therefore be futile to grant the extension of time sought.
- 3       Special leave to appeal is refused with costs.
