

HARRIS
v
MILITARY REHABILITATION AND COMPENSATION COMMISSION
[2026] HCADisp 68
M8/2026

- 1 The applicant seeks special leave to appeal from a judgment of the Full Court of the Federal Court of Australia (Logan, Halley and McElwaine JJ), which dismissed an appeal against the judgment of the Federal Court of Australia (McEvoy J), which in turn dismissed the applicant's application for judicial review of a decision of the then Administrative Appeals Tribunal in relation to the applicant's application for a review of a decision of the respondent. By that decision, the respondent deemed the applicant able to earn a certain amount per week pursuant to the provisions of the *Military Rehabilitation and Compensation Act 2004* (Cth).
- 2 The application for special leave to appeal has insufficient prospects of success. It is not in the interests of the administration of justice, either generally or in this case, for special leave to appeal to be granted.
- 3 Special leave to appeal is refused.
