

MSB
v
ASHTON
[2026] HCADisp 72
P2/2026

- 1 The applicant seeks special leave to appeal from the judgment of the Court of Appeal of the Supreme Court of Western Australia (Mazza JA, Mitchell JA and Cobby J), which dismissed an appeal from the Supreme Court of Western Australia (Forrester J), which in turn dismissed the applicant's appeal against conviction and sentence for one count of trespass without lawful excuse, following a trial before Magistrate Crawford in the Magistrates Court of Western Australia.
- 2 The proposed appeal has insufficient prospects of success, and a grant of special leave to appeal would not be in the interests of the administration of justice, either generally or in this particular case.
- 3 Special leave to appeal is refused.
