

FRIGGER
v
THE STATE OF WESTERN AUSTRALIA
[2026] HCADisp 109
P10/2026

- 1 The applicant seeks special leave to appeal from part of the judgment of the Court of Appeal of the Supreme Court of Western Australia (Thomson P, Archer and Sweeney JJA), which dismissed the applicant's appeal against conviction and sentence following a judge-alone summary trial in the District Court of Western Australia (Lonsdale DCJ) for one count of breach of a bail undertaking contrary to s 51(1) of the *Bail Act 1982* (WA).
- 2 The Court of Appeal's decision is plainly correct and the proposed appeal has no prospects of success.
- 3 Special leave to appeal is refused.
