

EUC19 & ANOR
v
MINISTER FOR IMMIGRATION AND CITIZENSHIP & ANOR
[2026] HCADisp 156
S35/2026

- 1 The applicants seek special leave to appeal from the whole of the judgment of a single judge exercising the appellate jurisdiction of the Federal Court of Australia (Shariff J), which dismissed the applicants' appeal from orders made by the Federal Circuit and Family Court of Australia (Division 2), which in turn dismissed the applicants' application for judicial review of a decision made by the then Administrative Appeals Tribunal to affirm a decision of a delegate of the first respondent not to grant protection visas to the applicants.
- 2 The application does not raise any question of general principle and there is no reason to doubt the correctness of the decision of the Federal Court to warrant a grant of special leave to appeal.
- 3 Special leave to appeal is refused.
