

MR LIETZAU (A PSEUDONYM)

v

BERRY & ORS

[2026] HCADisp 157

P12/2026

- 1 The applicant seeks special leave to appeal from part of the judgment of the Court of Appeal of the Supreme Court of Western Australia (Quinlan CJ, Thomson P and Seaward JA) which dismissed an appeal from a decision of the Supreme Court of Western Australia (Tottle J), which in turn dismissed the applicant's application for judicial review of: a decision of the Family Court of Western Australia dismissing an application for an anti-suit injunction; and a decision of the Magistrates Court of Western Australia dismissing an application for a stay.
- 2 The application does not identify any reason to doubt the correctness of the decision of the Court of Appeal and a grant of special leave to appeal would not be in the interests of the administration of justice.
- 3 Special leave to appeal is refused.
