

CDD
v
THE KING
[2026] HCADisp 219
B32/2026

1 The applicant applies for an extension of time in which to seek special leave to appeal from the whole of a judgment of the Court of Appeal of the Supreme Court of Queensland (Bowskill CJ, Mullins P and Henry J), which dismissed the applicant's appeal against conviction for rape.

2 The application does not involve a question of law that is of public importance, whether because of its general application or otherwise and it is not in the interests of the administration of justice, either generally or in the particular case, to require consideration by the High Court of the judgment to which the application relates. It would therefore be futile to grant the extension of time sought.

3 Special leave to appeal is refused.
