

VQ
v
THE STATE OF QUEENSLAND & ORS
[2026] HCADisp 193
B39/2026

- 1 The applicant seeks special leave to appeal from the whole of a judgment of the Court of Appeal of the Supreme Court of Queensland (Mullins P, Brown JA and Wilson J), which dismissed an appeal from orders made by the Supreme Court of Queensland (Williams J) following the hearing of an application for an urgent injunction to restrain medical practitioners from treating the applicant under a treatment authority confirmed by the Mental Health Review Tribunal. The applicant also sought an order for expedition and an extension of time.
- 2 The proposed appeal has insufficient prospects of success to warrant a grant of special leave. The application for expedition is therefore unnecessary to determine, and it would be futile to grant the extension of time sought.
- 3 Special leave to appeal is refused.
