

WRIGHT
v
THE KING
[2026] HCADisp 212
B37/2026

- 1 The applicant requires an extension of time within which to seek special leave to appeal from a judgment of the Court of Appeal of the Supreme Court of Queensland (Mullins P, Hall A-JA and Hindman J) which dismissed the applicant's appeal against conviction for murder following a trial before Justice Bradley and a jury in the Supreme Court of Queensland.
- 2 The decision of the Court of Appeal is unattended with sufficient doubt and there are insubstantial prospects of the proposed appeal succeeding to warrant a grant of special leave to appeal. It would therefore be futile to grant the extension of time that is sought.
- 3 Special leave to appeal is refused.
