EFT24
v
MINISTER FOR IMMIGRATION AND CITIZENSHIP & ANOR
[2026] HCADisp 233
P28/2026

1 The applicant seeks an extension of time within which to seek special leave to appeal from the whole of the judgment of the Federal Court of Australia (Feutrill J), which dismissed an appeal from a judgment of the Federal Circuit and Family Court of Australia (Division 2) (Judge Humphreys) dismissing an application for judicial review of a decision of the Administrative Appeals Tribunal, which affirmed a decision of a delegate of the first respondent not to grant the applicant a Protection (class XA) (subclass 866) visa.

2 The proposed appeal has insufficient prospects of success to warrant a grant of leave. It would therefore be futile to grant the extension of time that is sought.

3 Special leave to appeal is refused.
