PENTTILA
v
FEDERAL CIRCUIT AND FAMILY COURT OF AUSTRALIA (DIVISION 2) & ORS
[2026] HCADisp 269
B61/2026

1 The applicant seeks leave to appeal from the whole of the judgment of a single Justice of the High Court (Steward J), which dismissed an application for a constitutional or other writ, and declaratory and other consequential relief, with respect to decisions of the Federal Circuit and Family Court of Australia (Judge Egan) and the Federal Court of Australia (Meagher J), as well as three interlocutory applications seeking expedition and other orders.

2 The proposed appeal does not raise any arguable basis for contending that Steward J erred.

3 Leave to appeal is refused.

4 The applicant's application filed 27 October 2026 is refused.
