10/1955.

SAFFRON

V.

LAWRENCE

REASONS FOR JUDGMENT

Judgment delivered at SYDNEY

on THURSDAY - 10th November, 1955

SAFFRON

v.

LAWRENCE

JUDGMENT.

McTIERNAN, J.

We think that Mr. Mahony has argued his submissions with skill and ability. However we think that the judgment of the Full Court is right and also the reasons given by His Honour the Chief Justice for the judgment.

For my part I do not feel that I could usefully add anything to the reasons given by His Honour the Chief Justice in the Full Court of New South Wales.

The order of the Court will therefore be that the appeal be dismissed with costs.
